- I, being lawfully authorized to make decisions on behalf of the animal above, request My Kids Have Paws (MKHPVC) to perform an operation and/or vaccinate, prescribe, and treat with any services I have selected. I hereby forever release MKHPVC and each of the employees and veterinarians from any and all liability for any surgical procedures and/or services performed per my request.
- To my knowledge, the animal listed above is in good health.
- I understand that the operation I have elected presents some hazard and that injury to, post-operative infection, or death of the animal may conceivably result, for there is always some risk involved in such procedures. I understand that general anesthesia will be used throughout the surgery.
- I understand that a pre-surgery exam will be performed on my pet when possible, but that there are times when such an exam may only be performed after an animal is sedated or anesthetized.
- I understand that some factors significantly increase surgical risk, including, but not limited to pregnancy, heat, and diseases.
- I understand that if the pet is an acceptable surgical candidate, sterilization procedures will be performed regardless of pet's gender and/or medical condition, including but not limited to pregnancy. I understand that if the pet is pregnant, the pregnancy will be terminated at the time of surgery.
- I understand the risks of not keeping my pet up to date on vaccinations and waive all claims to any illnesses post-operatively that my pet may contract. I am responsible for treatment at my own cost.
- I understand that **if my pet has fleas, a flea product** (including, but not limited to, Nitenpyram, Lufenuron, or Revolution) **will be given to the animal. I agree to the \$5-8 fee for this treatment.**
- I understand that **if the animal is not the gender that was initially presented** and the animal is already under anesthesia, the **surgery will move forward** for the safety of the animal. **I am responsible for any additional fees associated with the procedure.**
- I agree that my pet's photo may be taken and used on social media or other promotional purposes.
- I understand that MKHPVC has the right to refuse service and/or procedure for any animal for any reason, including, but not limited to, situations where surgery is deemed a health risk. Such refusal is at the sole discretion of the veterinarian.
- **I am at least 18 years of age**, have read this agreement carefully and in its entirety and I understand the contents of this agreement. I voluntarily sign this agreement of my own free will. I also understand the fees associated with the services that I have requested and agree to pay them at the time of service unless other arrangements are made ahead of time.
