****Continued on Back****

- I, being lawfully authorized to make decisions on behalf of the animal described above, hereby request My Kids Have Paws Veterinary Clinic, LLC (MKHPVC) and each of their employees & veterinarians to perform an operation for sterilization and/or vaccinate, prescribe and treat with any services I have selected.
- I understand that the operation I have elected presents some hazard & that injury to, post-operative infection, or death of the animal may conceivably result, for there is always some risk involved in such procedures. I understand that general anesthesia will be used throughout the surgery.
- To my knowledge, the animal listed above is in good health.
- I understand the risks of not keeping my pet up to date on vaccinations and waive all claims to any illnesses post-operatively that my pet may contract. I am responsible for treatment at my own cost.
- I understand that MKHPVC has the right to refuse service and/or procedure for any animal for any reason, included by not limited to situations where surgery is deemed a health risk. Such refusal is at the sole discretion of the veterinarian.
- I understand that a pre-surgery exam will be performed on my pet when possible, but that there are times when such an exam may only be performed after an animal is sedated or anesthetized.
- I understand that if the animal is not the gender that was initially thought, I am responsible for any additional fees associated with the procedure.
- I understand that some factors significantly increase surgical risk, including, but not limited to pregnancy, heat, & diseases.
- I understand that if the pet is an acceptable surgical candidate, sterilization procedures will be performed regardless of pet's gender and/or medical condition, including but not limited to pregnancy. I understand that if the pet is pregnant, the pregnancy will be terminated at surgery.
- _____ (Please initial) I agree that my pet's photo may be taken and used on social media or other promotional purposes.
- I understand that if my pet has fleas, a flea product (including but not limited to Nitenpyram or Revolution) will be given to the animal. I agree to the \$3/\$5 fee for this treatment.
- I agree not to hold the participating veterinarian or MKHPVC liable or responsible to me in any matter.
- I am at least 18 years of age, have read this agreement carefully and in its entirety and I understand the contents of this agreement. I voluntarily sign this agreement of my own free will.
